

This document walks you through steps for AWS educate account creation. Go to <https://aws.amazon.com> and enter your details. Make sure to enter the mizzou email address to take advantage of \$100 educational credit.

Use original email address, for example: [skaf48@mail.missouri.edu](mailto:skaf48@mail.missouri.edu)

You might have customized your email addresses but amazon won't accept any other email address. Your email domain should match institution's domain which is **mail.missouri.edu**

Don't forget to select 'Basic' Support plan to access AWS free services

## Support Plan

AWS Support offers a selection of plans to meet your needs. All plans provide 24x7 access to customer service, AWS documentation, whitepapers, and support forums. For access to technical support and additional resources to help you plan, deploy, and optimize your AWS environment, we recommend selecting a support plan that best aligns with your AWS usage.

Please Select One

☒ **Basic**

Description: Customer Service for account and billing questions and access to the AWS Community Forums.

Price: Included

☐ **Developer**

Use case: Experimenting with AWS

Description: One primary contact may ask technical questions through Support Center and get a response within 12–24 hours during local business hours.

Price: Starts at \$29/month (scales based on usage)

☐ **Business**

Use case: Production use of AWS

Description: 24x7 support by phone and chat, 1-hour response to urgent support cases, and help with common third-party software. Full access to AWS Trusted Advisor for optimizing your AWS infrastructure, and access to the AWS Support API for automating your support cases and retrieving Trusted Advisor results.

Price: Starts at \$100/month (scales based on usage)

☐ **Enterprise**

Use case: Mission-critical use of AWS

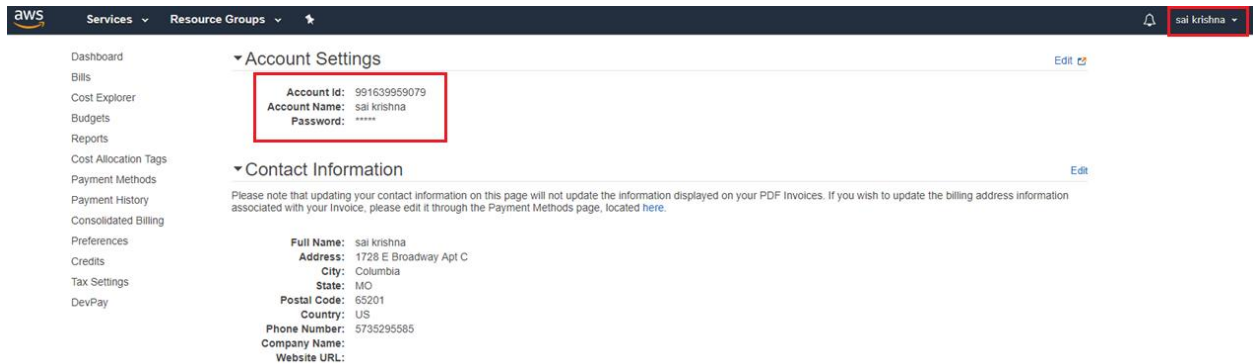

Description: All the features of the Business support plan, plus an assigned Technical Account Manager (TAM) who provides proactive guidance and best practices to help plan, develop, and run your AWS solutions, a Support Concierge who provides billing and account analysis and assistance, access to Infrastructure Event Management to support product launches, seasonal promotions/events, and migrations, and 15-minute response to critical support cases with prioritized case handling.

Price: Starts at \$15,000/month (scales based on usage)

*If you select this option, customer support will contact you within 48 hours to discuss your needs and finalize the signup. Support resources will be available when signup is finalized, and no charges will be incurred until that time.*

Click on your name at top right corner and go to My account. Copy the account id as we will be using next.

The screenshot shows the AWS My Account page. The top navigation bar includes the AWS logo, 'Services', 'Resource Groups', and a user profile dropdown labeled 'sai krishna'. The left sidebar lists various account management options. The main content area is divided into two sections: 'Account Settings' and 'Contact Information'. In the 'Account Settings' section, a red box highlights the 'Account ID: 991639959079', 'Account Name: sai krishna', and 'Password: \*\*\*\*\*'. The 'Contact Information' section displays personal details like 'Full Name: sai krishna', 'Address: 1728 E Broadway Apt C', 'City: Columbia', 'State: MO', 'Postal Code: 65201', 'Country: US', 'Phone Number: 5735295585', 'Company Name', and 'Website URL'. A note at the bottom of the 'Contact Information' section explains that updates to contact information will not affect PDF invoices.

**Account Settings**

Account ID: 991639959079  
Account Name: sai krishna  
Password: \*\*\*\*\*

**Contact Information**

Full Name: sai krishna  
Address: 1728 E Broadway Apt C  
City: Columbia  
State: MO

Educators

[Apply for AWS Educate for Educators](#)

Students

[Apply for AWS Educate for Students](#)

Have questions about signing up?  
[Contact us today >](#)

Enter details regarding school and graduation. Since we don't have a promo code yet, we will skip. Click on next. Enter the account id you copied before.

Apply to join AWS Educate

Step 3/3: Choose one of the following

☒ Click here to enter an AWS Account ID

Approved students are sent a welcome email and benefits including an AWS promotional code.

991639959079

[Don't have one? Sign up now](#)

☐ Click here to select an AWS Educate Starter Account

An AWS Educate Starter Account is a free, capped-account that doesn't require a credit card. There are some Usage limitations including an approximately 25% reduction in access to AWS services. Because Starter Accounts are capped, a separate AWS promotional code is not provided.

Terms & Conditions

exclusive jurisdiction and venue in such courts. If one or more of these Terms are deemed invalid, void, or for any reason unenforceable, that Term(s) shall be deemed severable and shall not affect the validity and enforceability of any remaining Term(s).

9.2 **Electronic Communications.** When you visit the Student Site or send e-mails to us, you are communicating with us electronically. You consent to receive communications from us electronically. We will communicate with you by e-mail or by posting notices on the Student Site. You agree that all agreements, notices, disclosures and other communications that we provide to you electronically satisfy any legal requirement that such communications be in writing.

9.3 **Notice.** Any notice by AWS to you under these Terms may be made by (and effective upon) posting to the Student Site or upon email to you at the email address linked to your AWS Educate account. Any notice by you to AWS under these Terms must be made by registered or certified mail to Amazon Web Services, Inc., 410 Terry Avenue North, Seattle, WA 98109-5210 Attn: General Counsel (or, if you are located in India, to the entity described in Section 10, at the address specified in that section). Notice by you to AWS is effective upon AWS's receipt of the same.

**10.0 CONTRACTING ENTITY - INDIA CUSTOMERS**

If you are located in India, your contracting party will be Amazon Internet Services Private Limited ("AISPL"), and these Terms are an agreement between you and AISPL, located at Ground Floor, EROS Plaza, Eros Corporate Centre, Nehru place, New Delhi, India - 110019. If you are located in India, all references to "AWS," "we," or "us" in these Terms shall be deemed as referring to AISPL. Additionally, if you are located in India, these Terms shall be deemed to differ from the above Terms as follows:

1. The AWS Educate Terms & Conditions (located at [https://www.awseducate.com/DisplayDocument?docname=Institution\\_Application\\_en&showLogo=1](https://www.awseducate.com/DisplayDocument?docname=Institution_Application_en&showLogo=1), or its successor location) referenced in Section 1.2 shall be deemed to be an agreement between you and AISPL (not Amazon Web Services, Inc.);

You must scroll through the entire Terms and Conditions before accepting or declining.

Once you received an email from AWS with the Promo Code, activate it by entering it on 'Credits' tab as shown below.

A screenshot of the AWS Management Console 'Credits' page. The left sidebar shows navigation options: Dashboard, Bills, Cost Explorer, Budgets, Reports, Cost Allocation Tags, Payment Methods, Payment History, Consolidated Billing, Preferences, Credits (highlighted with a red box), Tax Settings, and DevPay. The main content area is titled 'Credits' and contains the following elements: a heading 'Credits', a prompt 'Please enter your code below to redeem your credits.', a 'Promo Code' label followed by an empty text input field (highlighted with a red box), a 'Security Check' label with a help icon, a CAPTCHA image showing the text 'ec28pf' (highlighted with a red box), a 'Refresh Image' link, a prompt 'Please type the characters as shown above' followed by an empty text input field, a disclaimer 'By clicking "Redeem" you indicate that you have read and agree to the terms of t', a 'Redeem' button, and a summary section stating 'Below are all the credits you have redeemed with AWS. Credits will automatically be applied to your bill. C' and 'You currently have no redeemable credits.'

You will be able to see your detailed usage and Credits Balance by accessing 'Bills' option in the left menu.

Click on preferences tab on the left and enable 'Receive PDF Invoice my Email' as well 'Receive Billing Alerts' to keep track of the usage.

## Preferences ?

☒ **Receive PDF Invoice By Email**  
Turn on this feature to receive a PDF version of your invoice by email. Invoices are generally available within the first three days of the month.

☒ **Receive Billing Alerts**  
Turn on this feature to monitor your AWS usage charges and recurring fees automatically, making it easier to track and manage your spending on AWS. You can set up billing alerts to receive email notifications when your charges reach a specified threshold. Once enabled, this preference cannot be disabled. [Manage Billing Alerts](#)

☐ **Receive Billing Reports**  
Turn on this feature to receive ongoing reports of your AWS charges once or more daily. AWS delivers these reports to the Amazon S3 bucket that you specify where indicated below. For consolidated billing customers, AWS generates reports only for paying accounts. Linked accounts cannot sign up for billing reports.

Save to S3 Bucket:
